

**Cornville Community Association  
Board Meeting  
Monday, March 17, 2008**

The regular Board Meeting of the Cornville Community Association was held at 6:00pm, Monday, March 17, 2008, at the Cornville Fire Station in Cornville, Arizona. Board members present were Deanna King, George Dana, Paul Graham, Craig Martinsen, Lois Hook, and Jan Tomlinson. Board members Ted Luke and Lynn Ordean were absent. Resident Dave Belkiewitz was also present.

The meeting was called to order and the previous meeting's minutes were approved with corrections.

**Membership** It is very important that only paid members be allowed to vote in the April Annual Meeting's Board Election. The drop in membership must be addressed.

**APS Substation:** The project received unanimous approval from the Yavapai County Board of Supervisors, and is going to proceed with construction early this summer.

**Easter Egg Hunt:** Lois Hook reported that she could still use a volunteer or two as they have prepared over 4500 eggs to be hidden throughout Windmill Park. The Hunt is still on for March 22, 2008.

**Trails:** The Coenville Stage Trail (Verde Santa Fe Trail) is still proceeding according to schedule. The Cornville Multi-Use Trail project is also progressing.

**Cornville Traffic:** Is it inevitable for our vehicular traffic to increase? What alternate routes would reduce traffic on Cornville Road?

**Secretary:** Anyone giving overhead presentations at Cornville meetings should furnish an additional hard copy for meeting records.

**Upcoming CCA General Meetings:** April's Annual Meeting Agenda is on track: Budget submission/approval; no bylaw changes; ballot submission/collection/counting for Paul Graham, Jan Tomlinson, Russ Bottjer, and Dave Belkiewitz; special guest State Senator Tom O'Halleran; and NAU and Dr. Hammersley's class presentation of their final conceptual design.

May's meeting is still open, and needs to be filled. Suggestions for topics suitable for the monthly general meeting should be submitted to Deanna King.

June's meeting is still scheduled as the "Cornville Green Fair". Deanna King needs contact information for any businesses wishing to participate.

The meeting was adjourned about 7:05pm.
