

The June CCA meeting was the 3rd annual Green Fair.

It was held in the Oak Creek elementary school gym from 6-8 pm.

There were 8 local vendors there to share information and give demonstrations on their products. We had about 40 residents join us and chat with each of the vendors.

We would love to see more people participate in this event, so if you have any suggestions please let one of the board members know.

Next months meeting will be the 125th Cornville Birthday party so next official meeting will be August 11.

Have a good summer

Deanna King
President
