Di cussed Green Fair- Good turn out by vendors, not so much from public. What can be done to improve on that for next year or do we want to continue with fair. Ted said it is a cost factor that keeps people from coming to fair. Gregg suggested more marketing, radio and more fliers. It was suggested maybe a different month. Will review at future meetings

Chili Cook off brought in \$208 for the birthday party. Lois said pretty good turn out but could have been much better. Advertising concentrated more on the cooks than people to come and eat.
